TO WHOM IT MAY CONCERN

MR CARY GLEESON'S firm *Gleeson Builders* is presently employed as the builders completing a three classroom block with associated services including courtyard areas; outdoor planter boxes and additional carpark areas at Chapel Downs School.

This is the second major building project Gleeson Builders have been involved in, at our school. The earlier project included major alterations to our schools Library and Technology Room.

Mr Gleeson is committed to excellence and he is always very respectful and helpful to his clients.

At all times he has kept within budget and completed each project on time. Mr Gleeson employs competent tradespeople and subcontractors and they too complete their work to a high standard. Mr Gleeson and his staff demonstrate a high level of building performance and I have pleasure in recommending them highly to any future company or homeowner wishing to employ quality builders.
