To Whom It May Concern

Re : Gleeson Builders Ltd

It is with pleasure that I have been asked to supply a reference for Cary Gleeson as we have found his work to be of the highest quality.

In June 2002, Gleeson Builders built a classroom to meet our expanding role growth. Due to his workmanship and reliability we did not hesitate to accept his tender for subsequent jobs.

In 2003 he built our very impressive hall and new staffroom facility. By 2004 the school required another classroom and once again Gleeson Builders tender was accepted. Cary has also been most helpful in doing smaller jobs around the school i.e. covered walkways, and reconstruction work in existing classrooms.

We, as a school, would not hesitate in recommending Gleeson Builders for any building or alteration work you may require.

Feel free to contact the school for further information.

Wendy Taylor  
Acting Principal.
